

Italian Crystal Growth 2017

materials and methods in crystal growth

University of Milano Bicocca
MILANO - ITALY
November 20-21, 2017

Organizing Committee

Dr. Leonardo Lo Presti
University of Milano
Prof. Massimo Moret
University of Milano Bicocca
Prof. Silvia Rizzato
University of Milano
Prof. Adele Sassella
University of Milano Bicocca

Scientific Committee

Prof. Martino Bolognesi - University of Milano
Dr. Rosalba Fittipaldi - CNR SPIN Salerno
Prof. Roberto Fornari - University of Parma
Prof. Maurizio Masi - Milano Politecnico
Prof. Matteo Masino - University of Parma
Dr. Daniela Meroni - University of Milano
Dr. Enrico Modena - PolyCrystalLine
Dr. Alessandro Minguzzi - University of Milano
Dr. Monica Panigati - University of Milano
Dr. Linda Pastero - University of Torino
Dr. Silvia Rubini - IOM-CNR TRIESTE
Dr. Raffaella Soave - ISTM-CNR Milano
Prof. Francesca Soavi - University of Bologna

SESSIONS AND INVITED SPEAKERS

Fundamentals of Crystal Growth

Chair: Prof. Maurizio Masi - Politecnico di Milano

Crystallization of Biomolecules

Chair: Prof. Martino Bolognesi - University of Milano

Low Dimensional Structures: films, wires, dots

Chair: Dr. Silvia Rubini - IOM-CNR, Trieste

Organic-Based Materials

Chair: Prof. Matteo Masino - University of Parma

Crystalline Materials for Energy

Chair: Prof. Francesca Soavi - University of Bologna

Industrial Crystallization

Chair: Dr. Enrico Modena - PolyCrystalLine SpA

Plenary Lecture:

Professor Naomi Chayen
Imperial College, London

Abstracts for oral and poster presentations are welcome

Deadline: July 20, 2017

Early Bird Registration: April 1, 2017 - July 20, 2017
